☒ Consent to the processing of data

I hereby give my consent under section 33, paragraph 1 of the German Federal Data Protection Act (Bundesdatenschutzgesetz, BDSG) to the processing, disclosure, and storage of my personal data, including my references, to authorized third parties. Third parties in this sense mean companies affiliated with IT VISTA, as well as clients and co-partners.

I am aware that in this regard, consent to the processing of the data of my application documents – including CV data, such as first name and surname, photo, year of birth – belongs to a profile that can be forwarded to companies with which IT VISTA maintains business relationships. The forwarding serves project or assignment appointment.

The consent likewise contains the transmission of my data in connection with job market projects and integration measures, as well as the processing of qualification measures.

Moreover, I hereby declare that I agree that companies affiliated with IT VISTA can send me other job offers by email or phone call and get in touch with me and for this purpose can collect, process, and use my personal data, within the EU, as well as in other countries, e.g. USA for (cloud) services provided by Microsoft (MS Office).

I may at any time revoke my consent in writing with prospective effect to welcome@itvista.de or IT VISTA Personalberatung GmbH, Tschalkowskistraße 15, D-04105 Leipzig. Revocation simultaneously terminates the application process. Thus, assignment appointment/placement is no longer possible.

I hereby give the requisite consent.
